

Area: Class of 2013

Here's how the senior class at 41 Central Illinois school districts* did over the years on the Illinois Standards Achievement Test and last year on the Prairie State Achievement Exam. Each number represents the percentage of students meeting or exceeding state learning goals. The Class of 2013 was not tested in reading or in math when they were fourth-graders. Schools are ranked according to their overall performance.

	2004 Grade 3		2006 Grade 5		2007 Grade 6		2008 Grade 7		2009 Grade 8		2012 Grade 11		Cumulative results
