

2012 test results

The performance numbers in each table are the percentages of students who met or exceeded state learning goals. Districts are ranked according to their overall performance. Percentages of low-income students are also given because poverty is associated with lower test performance.

PSAE: Central Illinois

Here's how 41 school districts did on the Prairie State Achievement Exam and ACT.

	Enrollment	Percent low-income students	Attendance rate	Graduation rate	Grade 11			PSAE 2011 total	PSAE 2012 total	ACT 2011 score	ACT 2012 score
