

SCHOLARSHIP BULLETIN #9

4/10/2017

TO ALL COLLEGE-BOUND SENIORS AND PARENTS: The following is a list of scholarships that have come to our attention at the present date. I will notify you of others as the information becomes available. Most scholarship applications are available in the guidance office. Please see me if you would like to apply for any of these, or if you have any questions.

In the library are several books with lists of scholarships available. Additional scholarship information can also be found on the Internet at www.fastweb.com, www.gocollege.com, www.mycollegeoptions.com, www.ecampusTours.com, www.cappex.com, www.collegezone.com, www.meritaid.com, www.chegg.com and www.CollegeAnswer.com/scholarships

A new website has come across my desk, <http://ilcis.intocareers.org/loginmain.aspx> This website offers several scholarships that are available, including some local ones. Log-in as an Illinois Resident, putting Dieterich for the town and 62424 for the zip code. On the left-hand side, click on either Financial Aid, or Financial Aid Sort. These links will lead you to financial aid and scholarship information.

All colleges and universities have their own academic scholarship awards, department awards, tuition waivers, and athletic waiver programs. Inquire at the college you plan to attend for their application procedures or check out their websites. If you have any questions, please feel free to contact me.
